

CHILIFEST

WEST VIRGINIA STATE CHILI CHAMPIONSHIP
— Huntington, WV —

Registration Information

There are two types of registration for ChiliFest 2021. The West Virginia State Chili Championship. First, for community teams and businesses who wish to participate there is an attached pdf form to fill out to register. You may send this back to the address listed with your payment. For all **ICS cooks**, you must register on-line with the International Chili Society and not use a mail-in registration form. This is convenient for both us and cooks and allows anyone who may not be cooking on the circuit for a full year the chance to pay \$10 for one cookoff registration; \$25 for a three cookoff registration; or \$45 for a full year. This also allows us to go on-line to see all those registered and place them into their tent locations. As always, you may email us at ron@chiliwilli.com with any special instructions you may have regarding tent locations and such. You must however register for ChiliFest via the ICS web site at:

<https://www.chilicookoff.com>

At registration the morning of ChiliFest, if you have not registered with the ICS via their site you will need to use your smartphone to go on-line and register before paying for your ChiliFest registration. Registration for all teams begins at 8:00a.m. at the 8th St. and 3rd Ave. location at the Judging Tent area. From there you will learn of your tent location and proceed to unload. All vehicles will need to be moved out of the cookoff site by 9:30a.m. Parking is available at the Pullman Square parking facilities or at your hotel location downtown.

We look forward to seeing all our cooking teams both community and ICS for this year's ChiliFest 2021 after a long year of pandemic delay. Good Cooking!
